

**BATH YOUTH BASEBALL CAL RIPKEN LEAGUE
PETITION FORM**

*To be used for players 8 years old and younger as of April 30th, 2024
that have had at least one year playing Farm League.*

I, _____, wish to petition Bath Youth Baseball to have my child, _____, included in the draft for the 2023 minors season. I have provided appropriate documentation showing they are age eligible for Bath Cal Ripken. I understand that my child will have to attend a skills assessment on March 24th in order to be eligible to try out for Bath Cal Ripken and then be eligible for the draft. If deemed not ready by the board of directors or not drafted due to enrollment numbers my child will be placed on a Farm League Team. I understand that the decision of the board of directors is final. I understand that should my child not attend the skills assessment and the tryout they will participate in the Farm League. If my child is accepted, I understand that playing time and positions are not equal and will be at the coaches discretion. All parents of petitioning players will be notified by the Cal Ripken President by March 26th.
